

EXPERIENCE

GUTHRIE

YESTERDAY
& TODAY

Immerse yourself in Guthrie's unique history with the Time Frame app. Witness the timelessness of Historic Downtown Guthrie with an interactive, self-guided tour using augmented reality.

1. DOWNLOAD THE TIME FRAME APP

Apple App Store

Google Play

2. SELECT 'GUTHRIE' FROM THE TOWN LIST

If you've never toured before, you would select 'How to Play' for a rundown of the process. After touring, you'll have a full album of the photos & narrations.

3. FOLLOW THE PROMPTS!

Using the camera on your mobile device, you can view historical photos layered over the present-day view of each location. Accompanying narration and sound effects provide extra context without distraction. Depending on your pace, your tour could take 30 minutes to an hour.

4. ENJOY THE GLIMPSE INTO THE PAST!

Once you have followed all the clues in a town and visited all the towns in a mission, you will receive a digital badge proving your accomplishment.
